KeepingUp: Teammate Spotlight

Jennifer Gibbs, Executive Director

My philosophy as an Executive Director is to communicate with residents and families clearly and often, take care of resident/family concerns, and have a welcoming home for all to enjoy. I come to Traditions with over 20 years of experience in the medical field with the last 13 years dedicated to Senior living. I am a graduate of Kent State University and hold a CEAL (Certified Executive for Assisted Living) Certification and a license in nursing home administration. My husband and I live in Centerville and have 5 children between the two of us and two dogs. My hobbies include fishing, biking, gardening, and bird watching. The health care industry has taken a hit over the last year and a half, and I know it has been hard for many of you as well. As we begin to start back to a new normal, you have my commitment to lead and serve with my whole heart and provide compassion for each and every resident, family, and team member.

Please, do not hesitate to reach out to me with any questions or comments by calling me at (937) 427-6220
