## ***BINGO IS BETTER WITH FRIENDS!***

In honor of American Heart Month, join us for a fun and meaningful night of heart-healthy trivia and Bingo designed to raise awareness about cardiovascular health. Bingo is always better when shared, so grab a friend, neighbor, or your whole crew and get ready for laughter, friendly competition, and plenty of chances to call out BINGO.

Enjoy light refreshments, exciting prizes for our winners, and an evening filled with connection, fun, and heart-healthy awareness. Help us turn Bingo night into a feel-good celebration for your heart.
